Our vision for learning and well-being provides stakeholders with a coherent pedagogical framework and a safe, nurturing environment that encourages and challenges all to achieve their potential.

Activities:

- Staff PD in January with teachers to implement school wide Spelling Scope & Sequence and create a resource bank to support Spelling
- Construction of a whole school Grammar Scope & Sequence
- Explicit teaching about audience and purpose in Writing and also continue to access '7Steps to Writing' resources from 2018
- Ensuring 'Bump it Up' walls are co-constructed with students displaying annotated examples of writing traits
- Engage Literacy consultant to conduct PD workshop in Spelling & Writing
- Continue with school short term planning cycles/release teachers each term for planning with PLL & APRE
- Schedule partnered Learning Walks & Talks

*In 2019 our school will identify as an 'Emerging' school in numeracy with a focus upon the Four Key Dimensions Framework.*

Our vision for learning and well-being provides stakeholders with a coherent pedagogical framework and a safe, nurturing environment that encourages and challenges all to achieve their potential.

Activities:

- Professional Learning around the practice of 'circle time' with a restorative focus
- Professional Learning – Student Behaviour Support Effective Classroom Practices & Responses
- Teachers continue with explicit teaching of lessons from the Program Achieve resource
- P&F to provide a parent educational opportunity around Cyber Safety - Complement this with continuation of 1:1 boot camp for Year 4 students
- Students Years 3-6 engage in BCE online survey around well-being/bullying
- Explore and implement new BCE 'Engage'
- Conduct Year 5 'Conflict Resolution & Friendship Day'
- Leadership to formally analyse student attendance data twice each term. Share attendance data in newsletters and discuss with students in their relevant cluster meetings.

# GOALS AND ACTIONS FOR 2019

## Catholic Identity

*By the end of 2019 staff will incorporate a Catholic perspective into teaching and learning.*

[Link to strategic plan objective](#)

St Mary MacKillop School is an authentic contemporary Catholic School community.

Activities:

- Unit planning with reference to the BCE Curriculum application
- In the BCE Curriculum, teachers identify what to promote, explore and challenge with regard to a Catholic perspective
- Teachers to use the Daniel Morcombe safety curriculum

*By the end of Term 3, we will develop a common language and shared understanding of Catholic Identity.*
